III. VENUE

6. All actions complained of herein take place within the jurisdiction of the United States District Court, Northern District of California, and venue is invoked pursuant to 28 U.S.C. § 1391(b), (c).

IV. PARTIES

7. Plaintiff believes, and thereon alleges, that the Landlord Defendant owns, operates, and/or leases the real property consisting of the real property and common areas of the Facilities as well as the physical structures thereon (including the buildings in which each of the individual Tenant Defendants' Facilities is located), and consists of a person (or persons), firm, or corporation. Plaintiff further believes, and thereon alleges, that the Landlord Defendant leases the respective Facilities to the Tenant Defendants as follows:

- a) The Walmart Defendant owns, operates, and/or leases the Walmart Facility, and leases the Walmart Facility from the Landlord Defendant;
- b) The Sally Defendant owns, operates, and/or leases the Sally Facility, and leases the Sally Facility from the Landlord Defendant; and
- c) The Jo-Ann Defendant owns, operates, and/or leases the Jo-Ann Facility, and leases the Jo-Ann Facility from the Landlord Defendant.

8. Plaintiff is substantially limited in her ability to walk, must use a wheelchair for mobility, and has substantially limited finger dexterity. Consequently, Plaintiff is "physically disabled," as defined by all applicable California and United States laws, and a member of the public whose rights are protected by these laws.

V. FACTS

9. The Facilities are open to the public, intended for non-residential use, and its operation affects commerce. The Facilities are therefore public accommodations as defined by applicable state and federal laws.

10. Plaintiff lives near the Facilities and visited the Facilities on the dates set forth below for the purpose of shopping. During her visits to the Facilities, Plaintiff encountered the following barriers (both physical and intangible) that interfered with, if not outright denied,

1 Plaintiff's ability to use and enjoy the goods, services, privileges and accommodations offered
2 at the Facilities:

3 a) During Plaintiff's visits to the Walmart Facility on or about May 31,
4 2015, as well as on other occasions during the two years preceding the
5 filing of this action (which dates Plaintiff cannot presently recall), she
6 encountered the following barriers:

7 1) Plaintiff parked in a designated accessible parking stall to the
8 east of the Walmart Facility entrance. The parking stall was
9 excessively sloped, which made it difficult for her to transfer
10 between her vehicle and her wheelchair.

11 2) Because the Walmart Facility's shopping carts have a locking
12 mechanism that prevents them from traveling past a yellow line
13 which is located on the walkway between the designated
14 accessible parking and the Walmart Facility entrance, Plaintiff
15 has observed that customers often leave their locked shopping
16 carts on the walkway and the carts are not promptly removed by
17 Walmart Facility staff. During Plaintiff's May 31, 2015 visit, she
18 found that there were many shopping carts obstructing the
19 walkway, and it was difficult for her to navigate her wheelchair
20 between the carts when arriving at and leaving the Walmart
21 Facility.

22 3) The door to the designated accessible toilet stall in the women's
23 restroom at the Walmart Facility opened outward, and the
24 approach to it was obstructed by the baby changing area, where
25 baby strollers were left unattended by women who were in stalls
26 with their children. It was difficult for Plaintiff to open the stall
27 door and maneuver her wheelchair inside due to the lack of
28 maneuvering clearances.

1 4) The coat hook within the designated accessible stall in the
2 women's restroom at the Walmart Facility was positioned too
3 high, and Plaintiff could not reach it to hang up her purse while
4 she used the toilet.

5 5) The women's restroom door at the Walmart Facility was
6 improperly configured and/or required excessive operating
7 pressure, which made it difficult for Plaintiff to open the door
8 when exiting the restroom.

9 b) During Plaintiff's visits to the Sally Facility and the Jo-Ann's Facility on
10 or about October 31, 2015, she encountered the following barriers:

11 1) Plaintiff could not find a designated van-accessible parking stall
12 near the Sally Facility and instead parked in the standard
13 designated accessible parking stall at the end of the row of stalls
14 in front of the Sally Facility entrance. The access aisle next to
15 Plaintiff's parking stall contained a built-up curb ramp, which
16 created an excessive slope that made it hard for her to transfer
17 between her vehicle and her wheelchair within the access aisle.

18 2) The Sally Facility entry door was heavy, and Plaintiff was unable
19 to open it herself. She needed someone else to hold the door
20 open for her as she maneuvered her wheelchair over the raised
21 threshold and into the store.

22 3) Some of the aisles inside the Sally Facility lacked proper
23 wheelchair clearances, and it was difficult for Plaintiff to
24 navigate around. It was particularly hard for her to turn around
25 the ends of the aisles due to the lack of clearances.

26 4) The transaction counter at the Sally Facility was obstructed by
27 items in front of the counter, including a tall display case, which
28 another shopper had to move out of the way so that Plaintiff

1 could approach the counter to pay for her purchase.

2 5) After leaving the Sally Facility, Plaintiff wheeled herself to the
3 Jo-Ann Facility. She could not find an accessible route of travel,
4 and went down a walkway between the Kohl's store and 24 Hour
5 Fitness, but found that the route continuing on to the Jo-Ann
6 Facility contained a curb with no ramp. She had to wheel off the
7 sidewalk and travel through the path of vehicular traffic to the
8 corner, where she found a ramp that she was able to use to access
9 the walkway leading to the Jo-Ann Facility. On her way back to
10 her car which was still parked at the Sally Facility, she had to
11 travel through the vehicular driveway, which contained uneven
12 surfaces, and she was very worried about being hit by a car.

13 6) The entry door at the Jo-Ann Facility was heavy, and Plaintiff
14 struggled to open it.

15 7) Several of the aisles inside the Jo-Ann Facility were obstructed
16 by boxes, carts, and other items, which reduced the clear width
17 of the route of travel such that Plaintiff's wheelchair did not fit
18 and she was unable to go down those aisles.

19 11. The barriers identified in paragraph 10 herein are only those that Plaintiff
20 personally encountered. Plaintiff is presently unaware of other barriers which may in fact exist
21 at the Facilities and relate to her disabilities. Plaintiff will seek to amend this Complaint once
22 such additional barriers are identified as it is Plaintiff's intention to have all barriers which
23 exist at the Facilities and relate to her disabilities removed to afford her full and equal access.

24 12. Plaintiff was, and continues to be, deterred from visiting the Facilities because
25 Plaintiff knows that the Facilities' goods, services, facilities, privileges, advantages, and
26 accommodations were and are unavailable to Plaintiff due to Plaintiff's physical disabilities.
27 Plaintiff enjoys the goods and services offered at the Facilities, and will return to the Facilities
28 once the barriers are removed.

1 17. Title III of the ADA holds as a “general rule” that no individual shall be
2 discriminated against on the basis of disability in the full and equal enjoyment (or use) of
3 goods, services, facilities, privileges, and accommodations offered by any person who owns,
4 operates, or leases a place of public accommodation. 42 U.S.C. § 12182(a).

5 18. Defendants discriminated against Plaintiff by denying Plaintiff “full and equal
6 enjoyment” and use of the goods, services, facilities, privileges and accommodations of the
7 Facilities during each visit and each incident of deterrence.

8 Failure to Remove Architectural Barriers in an Existing Facility

9 19. The ADA specifically prohibits failing to remove architectural barriers, which
10 are structural in nature, in existing facilities where such removal is readily achievable. 42
11 U.S.C. § 12182(b)(2)(A)(iv).

12 20. When an entity can demonstrate that removal of a barrier is not readily
13 achievable, a failure to make goods, services, facilities, or accommodations available through
14 alternative methods is also specifically prohibited if these methods are readily achievable. *Id.*
15 § 12182(b)(2)(A)(v).

16 21. Here, Plaintiff alleges that Defendants can easily remove the architectural
17 barriers at the Facilities without much difficulty or expense, and that Defendants violated the
18 ADA by failing to remove those barriers, when it was readily achievable to do so.

19 22. In the alternative, if it was not “readily achievable” for Defendants to remove
20 the Facilities’ barriers, then Defendants violated the ADA by failing to make the required
21 services available through alternative methods, which are readily achievable.

22 Failure to Design and Construct an Accessible Facility

23 23. Plaintiff alleges on information and belief that the Facilities were designed and
24 constructed (or both) after January 26, 1993 – independently triggering access requirements
25 under Title III of the ADA.

26 24. The ADA also prohibits designing and constructing facilities for first occupancy
27 after January 26, 1993, that aren’t readily accessible to, and usable by, individuals with
28 disabilities when it was structurally practicable to do so. 42 U.S.C. § 12183(a)(1).

1 25. Here, Defendants violated the ADA by designing and constructing (or both) the
2 Facilities in a manner that was not readily accessible to the physically disabled public –
3 including Plaintiff – when it was structurally practical to do so.¹

4 Failure to Make an Altered Facility Accessible

5 26. Plaintiff alleges on information and belief that the Facilities were modified after
6 January 26, 1993, independently triggering access requirements under the ADA.

7 27. The ADA also requires that facilities altered in a manner that affects (or could
8 affect) its usability must be made readily accessible to individuals with disabilities to the
9 maximum extent feasible. 42 U.S.C. § 12183(a)(2). Altering an area that contains a facility's
10 primary function also requires making the paths of travel, bathrooms, telephones, and drinking
11 fountains serving that area accessible to the maximum extent feasible. *Id.*

12 28. Here, Defendants altered the Facilities in a manner that violated the ADA and
13 was not readily accessible to the physically disabled public – including Plaintiff – to the
14 maximum extent feasible.

15 Failure to Modify Existing Policies and Procedures

16 29. The ADA also requires reasonable modifications in policies, practices, or
17 procedures, when necessary to afford such goods, services, facilities, or accommodations to
18 individuals with disabilities, unless the entity can demonstrate that making such modifications
19 would fundamentally alter their nature. 42 U.S.C. § 12182(b)(2)(A)(ii).

20 30. Here, Defendants violated the ADA by failing to make reasonable modifications
21 in policies, practices, or procedures at the Facilities, when these modifications were necessary
22 to afford (and would not fundamentally alter the nature of) these goods, services, facilities, or
23 accommodations.

24 Failure to Maintain Accessible Features

25 31. Defendants additionally violated the ADA by failing to maintain in operable
26 working condition those features of the Facilities that are required to be readily accessible to
27 and usable by persons with disabilities.

28

¹ Nothing within this Complaint should be construed as an allegation that Plaintiff is bringing this action as a private attorney general under either state or federal statutes.

41. Plaintiff also seeks to enjoin Defendants from violating the Unruh Act (and ADA), and recover reasonable attorneys' fees and costs incurred under California Civil Code § 52(a).

VIII. THIRD CLAIM

Denial of Full and Equal Access to Public Facilities

42. Plaintiff re-pleads and incorporates by reference the allegations contained in each of the foregoing paragraphs, and incorporates them herein as if separately re-pled.

43. Health and Safety Code § 19955(a) states, in part, that: California public accommodations or facilities (built with private funds) shall adhere to the provisions of Government Code § 4450.

44. Health and Safety Code § 19959 states, in part, that: Every existing (non-exempt) public accommodation constructed prior to July 1, 1970, which is altered or structurally repaired, is required to comply with this chapter.

45. Plaintiff alleges the Facilities are public accommodations constructed, altered, or repaired in a manner that violates Part 5.5 of the Health and Safety Code or Government Code § 4450 (or both), and that the Facilities were not exempt under Health and Safety Code § 19956.

46. Defendants' non-compliance with these requirements at the Facilities aggrieved (or potentially aggrieved) Plaintiff and other persons with physical disabilities. Accordingly, Plaintiff seeks injunctive relief and attorney fees pursuant to Health and Safety Code § 19953.

IX. PRAYER FOR RELIEF

WHEREFORE, Plaintiff prays judgment against Defendants, and each of them, for:

1. Injunctive relief, preventive relief, or any other relief the Court deems proper.
2. Statutory minimum damages under section 52(a) of the California Civil Code according to proof.
3. Attorneys' fees, litigation expenses, and costs of suit.²
4. Interest at the legal rate from the date of the filing of this action.

² This includes attorneys' fees under California Code of Civil Procedure § 1021.5.

1 5. For such other and further relief as the Court deems proper.
